

Puppy Agreement

Thank you for purchasing a puppy from us. We have done our best to provide you with a healthy, happy and social puppy.

We offer a 1 year genetic guarantee. We do not refund the purchase price; we will replace with a puppy of the same value. In such an event, the buyer shall provide the seller with a written explanation from a licensed veterinarian as to the nature of the problem. The puppy will be returned to us along with its registration papers at the buyer's expense. We will then obtain a second opinion from a licensed veterinarian of our choice. If the problem proves to be genetic we will promptly send a puppy of the same value as soon as one is available. We will send a replacement puppy at our expense. To be eligible for our guarantee, buyer must take the puppy to a licensed veterinarian within 3 days of receiving the puppy. Guarantee does not cover any medical expenses incurred by the buyer, loss of time, or any other reimbursement.

Your puppy must be paid in full including shipping costs by 7 weeks of age. If you chose to pick your puppy up from our home full payment is due at that time. Personal checks are **not** accepted at the time of pick up. **All deposits are non refundable.** If the unforeseen circumstance comes up and you are no longer able to care for your puppy/dog it must be returned to us, unless other arrangements have been made and agreed upon by both parties. **The original purchase price is non refundable.**

Buyer agrees that he/she understands this agreement fully. Please sign the agreement/bill of sale, keep one copy for your records and send a copy to us. If you fail to send a signed agreement to us, this contract will not be valid.

Please enjoy the new addition to your family!

Thank you! Martinson family
