

Deposit Agreement

Thank you for placing a deposit with us for your future addition. We are honored that you trust us in raising your next happy, healthy and well socialized puppy.

We require a \$400.00 **non-refundable** deposit to hold your puppy/spot on the waiting list. The deposit does go towards the total amount. We accept personal checks as a deposit payment or you can pay through PayPal. (You will be charged an additional fee of 4% if you pay through PayPal.) Your deposit holds your puppy from the litter, which will be picked in the order the deposits are received. We understand that everyone has a particular color and gender that they would prefer but, with a multi-color litter, guaranteeing a certain color and gender is not always possible. We will do our best to match each family to the color and gender that is requested but, we ask that the family understand that those color and gender combinations don't always happen. In the event that we don't have what you are looking for your deposit is good for **one year** and can be transferred to the next litter.

I understand that the deposit made to Riverbend Frenchies, to reserve a puppy is non-refundable. If I choose not to buy a puppy, no matter what the circumstances, my deposit will not be refunded. The deposit may be held and applied toward another puppy for a period of up to one year. If a check is returned for insufficient funds, the contract is cancelled and must be re-signed with a new check.
